

## Mortgage Bankers Association of Hawaii

Mortgage Bankers Association of Hawaii (MBAH) has been representing companies operating in all facets of the real estate finance industry in Hawaii. In all market conditions, we are proud to serve you by focusing on these primary objectives.

1. **Advocacy** – We are committed to be up-to-date on issues that matter to all of us. We will testify on legislation if there is an impact to our business.
2. **Networking** – Our events allow you to network and contribute to our larger community. We have provided financial gifts to support Hawaii HomeOwnership Center and Honolulu Habitat in 2019 to contribute towards first-time homeownership. Our annual conference always features relevant speakers.
3. **Education** – We offer periodic workshops to help your business! 2019 featured relevant topics like Analyzing Self-Employed Income & Detecting Fraud, A Real Estate Update, Tax Changes, and a Continuing Education class.

The MBAH board is proud to be comprised of volunteers who represent multiple companies and roles within Hawaii's real estate finance industry. The association needs your help to represent Hawaii's collective voice. We ask for your commitment to become a member and be involved as we move forward into 2020!

# 2020 MEMBERSHIP FEES

MBAH is continuing to support membership interests in the State Legislature and is committed to continue to offer educational sessions and networking opportunities to its members through regularly scheduled education sessions and the annual conference. Your support over recent years has enabled the MBAH to build reserves thereby allowing MBAH to be able to offer membership renewal fees at the same rate as the last four years.

\*Only your company employees are eligible to redeem these benefits. Conference or workshop attendance cannot be gifted to other individuals from other companies.

\*\*One individual from each company must be designated as the Principal Member.
